

Edmonton Northern River Karate School

Member evaluation and feedback, Fall 2001.

If there is anything you would like to see done differently at NRKS, this form is your chance to be heard. You can also talk at any time to Ken in class, or to any board member. (Krista Gilliland, president; Brent Gibson, treasurer; Joe Sacco, secretary; and Jon ward, member at large)

You might like to review your copy of the Association mission statement that came in your registration package to help you determine if the association is going about things in the best way. Ken also has in the program binder (which is yours to examine) an expansion of the mission statement and a long-term plan for the association.

Please share your thoughts below or on the other side of the page. Thanks!

1. Do you think the expansion and long term plan are the best directions to take from the mission statement? What do you suggest to improve these documents?
2. What specific activities would you like to see more or less of in the karate program?
3. Do you have any ideas how we might better fulfill the community service part of our mandate?
4. Do you have any other concerns or suggestions? Please let us know here, or speak to Ken or a board member.
