

Edmonton Northern River Karate School Association

Mission Statement

(from "Objects of the Association", Bylaws Article 3):

The objects of the Association are:

To provide the best and most accessible Uechi Ryu Karate based martial arts training possible to families and individuals enrolled in the program, and to this end to provide the best possible **instruction, facilities** and **resources** for participants,

To provide a safe, healthy and nurturing **learning environment**,

To promote a sense of **community** and goodwill within the school and between the school and the community at large.

To raise funds to achieve the objects of the Association.

To borrow funds and lease, mortgage, sell and dispose of property of the Association and establish a line of credit to achieve the objects of the Association.

To use funds of the Association only according to and in pursuit of these objects or other charitable objects.
