

## Edmonton Northern River Karate School Association

I understand that karate practice is a serious activity and I promise to do my best to protect myself and my partners from any harm or injury.

I promise to do my best for people in and out of the dojo, never calling on my karate skills to control or harm another.

I understand that as a member of the Edmonton Northern River Karate School Association, that I support the aims of the Association and the dojo community by timely payment of Association fees with 12 post-dated cheques each year.

I promise to communicate to the Program Director and/or Association Board if I am experiencing obstacles to my karate practice. If I decide to leave the Association, I will give written notice and reason to the Program Director and/or the Association Board.

I understand that the well being of my children in the program is my sole responsibility and I will also ensure that my children are picked up and dropped off safely.
